Wednesday 6<sup>th</sup> September,

Dear Parent,

The children have started the new school year with fantastic attitudes to their learning and have quickly settled in to their new classes. However, the beginning of a new school year can sometimes come with a few teething problems and I am aware that some information has not been passed to parents as it should have been.

After school, the corridors are becoming increasingly busy at the end of the school day, with many children walking through school to their sibling's classroom to meet with parents. Next week when after school clubs begin, there will be groups of children collected by staff and the congestion will increase further.

As a school it is important that we safeguard all of our children and we need to ensure that the children arrive at their after school club safely as well as children meet with their parents where they have arranged.

Therefore, we have made the decision that children in years 4, 5 and 6 may not walk through school at the end of the school day. Parents may choose to collect year 4, 5 and 6 children from the large school playground, or for the children to walk to the small playground themselves if they feel they are responsible.

Our nursery session finishes at 3.15 p.m. which makes it possible for parents to collect other children in school before collecting from nursery.

Thank you for your co-operation with this matter.

Yours faithfully

Miss A Horsfield

Head of School
