

Health and Safety/Polite Reminders - March 2023

Dogs on Site

May we please remind you that dogs are not allowed on the school site and they must not be carried around the site or be tied up outside.

Contact Details

Please ensure we have up to date contact details and any address changes for all your child's emergency contacts.

Head Lice

We have a few cases of head lice in various year groups. Please check your child's hair daily for the next few weeks and on a regular basis thereafter. Lice infestation is much easier to treat if caught early. Lice are largely harmless, but can live in the hair for a long time if not treated and can be irritating and frustrating to deal with.

A pharmacist can advise you about the treatments available if you are not sure which is best for your child. Head lice are a common problem, particularly in school children so please help us to get rid of them effectively.

Dinner Money & Packed Lunches

Dinner Money is £12.50 per week and MUST be paid in advance on Parent Pay. If payment is not received you will be asked to send your child with a packed lunch. Please inform the office if your child would like to change their lunch option, they can do this after each term.

Parking Outside School

To help keep children safe please use the one way system and park considerately outside the school. Please do not park on the yellow zigzag lines.

Jewellery

Please can we remind you that jewellery cannot be worn, this includes earrings. Your support with this will be appreciated.
