## **Message for Parents - (Mrs Hodgkinson, Miss McCay, Miss Horsfield and Miss Gibson)**

We would like to thank you for your continued support and patience whilst we have tried to get efficient systems in place for arriving and leaving school this week.

It has been difficult, but this morning, the new systems for nursery and KS2 worked really well and we will be continuing to use them.

So that we have a consistent approach throughout school, from Monday there will be a one way system in place in the front playground.

- We will open the gates to the front playground at 08.35. **Please do not arrive before this time.**
- You will enter the playground through the gate next to Miss Horsfield's classroom (down the path to the office).
- Once in the playground your child will be met by their class teacher, they will be sent into class where their class TA will be waiting for them. We ask that parents leave the playground area immediately through the gate next to Mrs Hodgkinson's classroom and join the one way system.
- **Please see the information on the back of this letter for a diagram of the one way system.**
- Home collection times will remain as they are.

We thank you for your patience and once again would like to reassure you that we are doing all we can to adapt as quickly as possible to a very challenging situation.

Yours faithfully

Lindsey Taylor

**Head of School 7-11**
