Dear Parent,

I hope that you and your families are keeping safe and well at this difficult time.

The government remain of the opinion that nurseries should be open. At Shaw Wood we took the decision to close our nursery to all but those in key worker families and those that may have been vulnerable. It remains our opinion that, wherever possible for the safety of staff, children and families, it is sensible for children to remain at home. If this is a view you share we fully support your decision.

In order to comply with Government guidance however, we will be opening Shaw Wood Nursery on Wednesday 20th January, for children to attend their usual days and times.

There are currently no additional places available from reception to year 6 children, so we are not able to offer places to any siblings of nursery children.

As always, we aim to support our families as far as we possibly can whilst keeping the safety of all in mind.

Kind Regards

Jo Campbell
