Dear Parent / Carer

### Covid Positive Cases

During the half term holiday two of our families have been affected by positive cases of Covid-19. We have carefully checked the guidance and, because no other children or staff have had any close contact in school with any members of the families for significantly more than 48 hours, we understand there will be no need to close the class affected.

As we return to school the situation serves as a reminder that we must all do our very best to follow the rules of hygiene and distancing both in school and when bringing and collecting children. Working together we will have the most success in keeping our local and school community safe.

We of course wish the families affected a speedy recovery and look forward to welcoming the children back into school after their self-isolation period is finished.

Kindest regards

Jo Campbell  
Executive Headteacher
