## **About Us**

---

Explorers is based within school and is open to children ages 3-11 during term time.

We offer a flexible service to cater for your childcare needs.

Guided by our experienced team; our ethos is to provide a safe and stimulating environment that supports your child's needs at the same time as increasing their confidence and independence.

We provide fun learning experiences through child initiated play and are committed to the enthusiastic delivery of children's play.

## **Behaviour**

---

We expect each child to behave responsibly and follow the Explorers Charter. You must read and sign the Explorers Behaviour policy before your child starts their first session.

## **Security & Safeguarding**

---

The adult collecting the child **must** be named on the enrolment form, unless the staff at Explorers have previously been informed.

In such cases we will ask that the person waits at the gate until the password has been verified. This is for your child's safety.

## **Food & Drink**

---

Whilst in Explorers your child will receive a small snack and a drink.

The staff carefully prepare the food choices each week so that pupils can enjoy a small balanced and nutritious snack.

On the registration form there is an option to tell us about the different foods and drinks that your child likes and dislikes. This will help the staff when planning the snacks.
