Dear Parents,

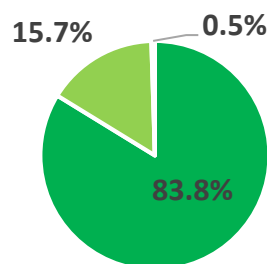

We thought that you would be interested to know the feedback from the questionnaires that you completed at our parents' evenings last term. Thank you so much for your honesty and willingness to participate in the questionnaire, overall, we had 210 responses, which is amazing.

My child is happy at this school.

The feedback is extremely positive and something, that we, as a team, are really proud to share and celebrate. We appreciate that there may be some further work to do in some areas, particularly where responses have been *don't know* – so we need to look at ways to keep you better informed, but we have a strong starting point to build upon. Please look out for future information about a parent, community and school partnership. I also want you to know that if you ever have any concerns, questions or queries, it is important that you contact us, so we can listen to you, and work with you. I would also like to thank those members of our school community who share positive thoughts about our school, with both Shaw Wood and the wider community. It was such pleasure to receive this in an e-mail last week:

***Just when I think I can't love the school more!***

*Over the years my children have attended Shaw wood the staff have been beyond incredible! The lengths they go to for the children and parents have always blown me away.*

*Last night I attended Young Voices. It's a rare occasion for me but I am genuinely lost for words for how grateful I am for such a special and truly magical night. It's my sons last year in primary school and what a very special way to end his time at Shaw Wood!*

*The effort and time put in to make this happen just blows me away and I just don't think there have been words made to describe how much it's appreciated. I saw the kids as they were heading to the coach in a manic car park full of so many other schools trying to get their kids to coaches and parents rushing to cars to get out the car park, just the sheer task they had to keep them all together and safe (which they did to perfection) showed one of many difficulties and responsibilities of their job. ALL staff at Shaw Wood are truly something special, and both my children have been lucky enough to experience the extra miles they ALWAYS put in.*

*Thank you seems feeble in comparison to what they do but..... THANK YOU ALL*

Thank you for your continued support, on behalf of everyone at Shaw Wood, from Mrs N J Parker-Watts
