13th September 2018

Dear Parent,

On **Wednesday 26th September**, we will be celebrating the European Day of Languages. This is an opportunity to celebrate some of the 6,000+ languages spoken around the world, to promote language learning and to have some multilingual fun! It is important that our children understand and respect all language, cultural and religious differences. As a school, we promote Human Values in all aspects of the curriculum, including British Values, European Values and those from the wider world.

On the 26th of this month, children in school will have the opportunity to learn about different countries from around the world, find out about their customs and learn a bit of the spoken language.

We would like the children to come to school wearing a colour, or colours from the flag of the country that they will be learning about for the day. During the afternoon, the children will be sharing their learning with other children in school.

Your child's class (Silver Birch) will be celebrating Greece.

The colours of the flag are.

Many thanks for your support.

Yours faithfully

Mrs J Campbell
Executive Headteacher
