Dear Parent

Year 2 will be holding an information afternoon for parents on Thursday 1<sup>st</sup> February at 2.30p.m. to give out some information regarding SAT's and how you can support your child at home.

During this session the year 2 teachers will show a presentation, be discussing and modelling ways that you can support your child and answering any questions or queries that you may have.

You will be shown some examples of the possible questions that your child may come across and also be able to look at past SAT's papers so you are aware of what your child will be attempting.

This is NOT a meeting to alarm or worry you about the tests, but to give general information and ideas about how you may help and support your child.

We really hope you will be able to join us on this afternoon.

Thank you for your continued support.

Yours faithfully

Mrs Jo Campbell  
Executive Headteacher
